POROUS MEDIA RESEARCH

HONORARY LIFETIME ACHIEVEMENT MEDAL

Reserved for individuals who have made extraordinary contributions to porous media science and technology, who are world renown in the porous media community, and whose contributions are consistent with the aims and ideals of InterPore.

KIMBERLY-CLARK DISTINGUISHED LECTURESHIP AWARD

Awarded to a porous media researcher with a very high international recognition and excellent presentation skills, working on a broad range of porous media topics. The nomination deadline for this award is *December 1*.

INTERPORE MEDAL FOR POROUS MEDIA RESEARCH

Awarded to senior researchers in recognition of outstanding research in general porous media, with emphasis on research conducted over the past 10 years.

INTERPORE AWARD FOR POROUS MEDIA RESEARCH

Awarded to mid-career researchers (up to 12 years after PhD) with outstanding research record in general porous media, with emphasis over the last five years.

PORELAB AWARD FOR YOUNG RESEARCHERS

For outstanding contributions in the field of porous media from a fundamental point of view, achieved within three years after PhD.

RIEN VAN GENUCHTEN EARLY-CAREER AWARD OF POROUS MEDIA FOR A GREEN WORLD

Awarded to an early-career researcher with the general topic of “porous media research for a green world” as a main focus. Preferentially intended for young researchers from countries with low- or middle-income economies as defined by the World Bank.
